PRODUCTS

WE ONLY MAKE GREAT OLIVE OIL

Cobram Estate has perfected New World production techniques, pressing olives within four to six hours of being picked from the branch, to make the freshest, healthiest, most flavorful olive oil

*We produce over **3 million** gallons of extra virgin olive oil per year*

Available at retail locations from San Francisco and Los Angeles to Seattle and Chicago

FUTURE

OUR HOME IN WOODLAND, CA

"Woodland is a great fit for Cobram Estate because of its unique proximity to some of the highest producing orchards in California, ideal climate for olive production, access to interstate highways and ports, as well as Woodland's long history as the home of specialty food producers and diversified farmers"

Adam Englehardt
President of US Operations
