

BULLSEYE FARMS

WOODLAND, CALIFORNIA

COMPANY

A FAMILY TRADITION

Farming in Woodland for over a century

Bullseye is a family owned farm with agricultural roots dating back to the early 1900's. Their goal is to produce the best quality product possible on a large scale, bringing value and taste to their buyers and consumers.

PRODUCTS

DEDICATED SUSTAINABILITY

Bullseye Farms believes in a sustainable future for their farms, their environment, and their people. They operate a low waste, high output farm and are dedicated to sustainable farming.

- Integrated Pest Management
- Precision Farming: GIS/GPS systems, aerial imaging, remote climate monitoring, automated drip irrigation
- Soil Health
