

PUROAST COFFEE

WOODLAND, CALIFORNIA

COMPANY

THE SECRET IS IN THE ROAST

*Established in Woodland since
1991*

A perfect cup of coffee in the Andes Mountains inspired the creators of Puroast to master the art of roasting the perfect bean. Puroast has now been roasting in Woodland California for over twenty five years.

PRODUCTS

MORE THAN A CUP OF COFFEE

Puroast was able to create a product that not only tasted delicious, but didn't have the same side effects as other coffees. The following aspects were the secrets that set Puroast apart from other coffee roasters:

- **70% less acid** than other coffees
- **7 times more antioxidants** than green tea
- **100% pure coffee**

FUTURE

OUR HOME IN WOODLAND

*"Woodland holds a special place in the hearts of Puroast. After graduating from UC Davis, my brother and I counted on the long tradition of Woodland being the place where **"Aggies dreams get built"**. Puroast is one such dream. Woodland is central to our ability to continue Puroast's national expansion, and we expect it to remain that way for years to come."*
