

# FARMLAND STREET

WOODLAND, CALIFORNIA

## COMPANY

## A LOVE FOR FOOD

“Purveyors of Yum” Farrell and Melanie came by their love for food in different ways but landed on a common vision: a food truck serving sweet and savory pies and crepes

*In Woodland since Spring 2018*

## PRODUCTS

## ALL ABOUT COMMUNITY

“It was all about the Woodland community from the beginning,” says Farrell. “Being mobile in a truck, you build community at different sites.” The Farmland Street truck produces sweet and savory pies, crepes, and other baked goods using the sweetest and healthiest ingredients.

*“We know that part of our mission is educating about the differences between eating locally and not, as well as making choices that are organic and sustainable when it makes sense” - Farrell Scott*

## FUTURE

## OUR HOME IN WOODLAND, CA

*“When choosing the name ‘Farmland Street,’ we asked: ‘What’s around us? What’s important? And why are we here in Woodland?’ The word ‘Farmland’ came out of our mouths. We’re surrounded by this remarkable farmland. When we tasted a blueberry from out of state versus a blueberry from Yolo County, the flavor difference was unbelievable.”*
