PRODUCTS

EASY. SIMPLE. DELICIOUS.

Z Specialty Food produces many different gourmet foods, including over 30 Varietal Honeys from across the US, Honey Fruit Spreads, Natural Nut Butters, and Chocolate Nut Spreads

Z Specialty sources its honey largely from California, and also offer honeys from states such as North Dakota, Washington, Hawaii and Florida

Much of Z Specialty's business comes in the form of bulk packaged honey for stadiums, hotels and restaurants, including almost every restaurant in the Sacramento area.

FUTURE

OUR HOME IN WOODLAND, CA

"We hope to bring some color to the Woodland industrial area, right here off the highway. We want to become a destination."

Josh Zeldner
Nectar Director

- Z Specialty began with 4,000 square feet in Woodland and expanded to 9,000 five years ago
- The company is in process of building their own new facility here in Woodland, complete with a proper tasting room, event space, bee gardens, and brewery/meadery.
