*Our Mike's Mighty Good Bestowed*

## FUTURE

## OUR HOME IN WOODLAND, CA

*"We wanted to find a community that is friendly and safe, and Woodland accomplishes that. Being in agriculture-rich Yolo County, the city is also in line with the company's motto, "sustaining earth, sustaining you"*

**Mike Vinnicombe**  
CEO, San Francisco Spice Co.

Our commitment to sustainability starts at our own facility where we use paper-based, renewably-sourced packaging and plan to be 100% off the power grid by 2020.
